

The screenshot displays a web application titled "Invention Tracking System" (100). The interface includes the following elements:

- Top Section:** Fields for "VIC Invention Id" (201), "Area" (Functional Interactive), "Technology Name" (2 step robotics), "Product Name" (MarkerView), "Company Name" (Storgarm), and "Site" (Lancaster, Pa). Each field has a corresponding save button (115).
- Second Section:** "Invention Title" (Marker with Reservoir Window, 135) and "Bar Date" (4/1/2000, 145).
- Third Section:** "Comments" (Interview Queue, 140) and "Problem: How to" (Prevent running out of ink, 150).
- Fourth Section:** "Elements/Methods" (Window, 155).
- Fifth Section:** "Inventor 1" (Quinton Quik, 176) and "Manager of Inventor 1" (John Cronin, 115).
- Bottom Section:** A row of navigation buttons including back, forward, and search icons (165, 170, 175, 180, 185, 187), a "Refresh" button (188), a "Reports" button (190), and a "File" button (195).

FIG. 1

The image shows a web browser window titled "Invention Tracking System". The interface includes the following elements:

- Header:** The title "Invention Tracking System" is centered at the top.
- Form Fields:**
 - Scanning Session Name:** A text box containing "CB1".
 - Scanning Session Date:** A date picker showing "12/16/2003".
 - IOD Name:** A text box.
 - IOD Date:** A date picker.
 - Pre Existing Invention:** A checkbox.
 - Client Tracking Number:** A text box containing "57".
 - Company Disclosure:** A text box containing "P. 0019".
 - Disclosure Writer:** A dropdown menu showing "12- Discr Public" and a "Sel" button.
 - IP Manager:** A dropdown menu showing "John Dymally" and a "Sel" button.
 - Inventor List:** A table with two columns: "Inventor" and "Manager of Inventor".

Inventor	Manager of Inventor
Inventor 2	Manager of Inventor 2
Inventor 3	Manager of Inventor 3
Inventor 4	Manager of Inventor 4
Inventor 5	Manager of Inventor 5
- Labels and Callouts:**
 - 100:** Points to the "Scanning Session Name" field.
 - 200:** Points to the "Scanning Session Date" field.
 - 210:** Points to the "Pre Existing Invention" checkbox.
 - 215:** Points to the "IOD Name" field.
 - 220:** Points to the "IOD Date" field.
 - 235:** Points to the "Client Tracking Number" field.
 - 240:** Points to the "Company Disclosure" field.
 - 243:** Points to the "Disclosure Writer" dropdown.
 - 245:** Points to the "IP Manager" dropdown.
 - 115:** Points to the "Sel" button next to the "IP Manager" dropdown.
 - 250, 260, 270, 280:** These labels are grouped together and point to the "Inventor" column of the table.
 - 255, 265, 275, 285:** These labels are grouped together and point to the "Manager of Inventor" column of the table.
